Handiwave

FOUNDING PROFESSIONAL APPLICATIONS

Good at what you do?
Let more people find you.

Handiwave helps skilled professionals build trust, present their work properly, and become ready for suitable service opportunities.

- ✓ **Create a professional profile that shows your value**
- ✓ **Receive relevant requests when available near you**
- ✓ **Send clear quotes and keep your job records organised**

WHO SHOULD APPLY?

Electricians, plumbers, AC technicians, solar and inverter installers, generator technicians, cleaners, carpenters, painters, handymen, and other skilled professionals.

BUILD TRUST. GET DISCOVERED. GROW.

Your work deserves to be seen.

NOW LAUNCHING IN KADUNA AND ABUJA

Join the first Handiwave professional network.

Professionals in Kaduna and Abuja can apply for our first service opportunities. Skilled professionals elsewhere in Nigeria can register early as we expand.

Free registration. **Verification is required before activation. Jobs are not guaranteed.**
